***Statement on Military Student Identifier
Adopted December 2, 2014***

The Virginia Council on the Interstate Compact on Educational Opportunity for Military Children supports the implementation of a military student identifier in Virginia as a means for local school divisions to collect information on military-connected children enrolled in the school division, beginning with the 2015-2016 school year. Further, the Virginia Council on the Interstate Compact on Educational Opportunity for Military Children encourages the use of such data by local, state, and federal entities to enhance the funding and quality of services provided to serve the unique needs of military-connected children residing in the Commonwealth.
